 - 3 current licensed IPPs
- **NG Pipeline Network Development**
 - Preliminary Design and Feasibility Study Completed
 - Phase A' – Power Generation supply and development of backbone transmission network
- **Other NG Consuming Markets**
 - Bunkering
 - Industry
 - Road Transport

Upcoming Cyprus Hydrocarbons Related Projects to 2021

Infrastructure Projects

- Natural Gas Public Company Ltd [ΔΕΦΑ]
 - Cyprus LNG Import Project
 - Natural Gas (NG) Pipeline from Vasilikos to Dhekelia Power Station
- Cyprus Hydrocarbons Company
 - Monetization of Aphrodite
- KODAP (Cyprus Organisation for Storage and Management of Oil Stocks)
 - Construction of Tank Farm
- Multiple Companies move from Larnaca to Vasilikos
 - Liquid Hydrocarbons Storage
 - LPG Facilities and Storage
- Cyprus Ports Authority
 - Onshore Hydrocarbons Port Facilities at Vasilikos
 - Vasilikos Port Expansion

Drilling and Exploration

- ENI/KOGAS
- ENI/TOTAL
- EXXONMOBIL/QP

Power Generation Projects

- EAC Expansion Projects
- 2 Active IPP Licenses

Thank You!
